

| No.  | Código | Clave                | Descripción                                          |
|------|--------|----------------------|------------------------------------------------------|
| 1    | 950872 | R1-SOIN-100/120MP    | Parte inferior de la maquina                         |
| 1.1  | 950873 | R1.1-SOIN-100/120MP  | Tornillo 3x6                                         |
| 2    | 950874 | R2-SOIN-100/120MP    | Placa de circuito impreso digital                    |
| 3    | 950875 | R3-SOIN-100/120MP    | Borne A                                              |
| 3.1  | 950876 | R3.1-SOIN-100/120MP  | Borne B                                              |
| 4    | 950877 | R4-SOIN-100/120MP    | Panel frontal                                        |
| 4.1  | 950878 | R4.1-SOIN-100/120MP  | Tornillo 4x10                                        |
| 5    | 950879 | R5-SOIN-100/120MP    | Perilla de potenciómetro                             |
| 6    | 950880 | R6-SOIN-100/120MP    | Conector de salida                                   |
| 6.1  | 950881 | R6.1-SOIN-100/120MP  | Tornillo hex. con arandela 6x16                      |
| 7    | 950882 | R7-SOIN-100/120MP    | Mica plástica                                        |
| 8    | 950883 | R8-SOIN-100/120MP    | Ensamble de tarjeta principal                        |
| 15   | ACC    |                      | Cinturon                                             |
| 16   | 950884 | R16-SOIN-100/120MP   | Cubierta de la maquina                               |
| 16.1 | 950885 | R16.1-SOIN-100/120MP | Tornillo 4x8                                         |
| 16.2 | 950886 | R16.2-SOIN-100/120MP | Mica aislante                                        |
| 16.3 | 950887 | R16.3-SOIN-100/120MP | Cinta con pegamento                                  |
| 17   | 950888 | R17-SOIN-100/120MP   | Interruptor                                          |
| 18   | 950889 | R18-SOIN-100/120MP   | Panel trasero                                        |
| 19   | 950890 | R19-SOIN-100/120MP   | Ventilador                                           |
| 19.1 | 950891 | R19.1-SOIN-100/120MP | Tornillo 5x16                                        |
| 20   | 950892 | R20-SOIN-100/120MP   | Jgo. de cable de alimentación con protector de cable |
